| Using Agency MAA Maryland Aviation Administration | | | Contractor Name, City State | Contract Identifier & Project Title MAA-MC-20-013 Interior/Exterior Painting Services | |
| Description/Remarks (Include reasons for contract modifications, if applicable, and indicate if extension or renewal option) Subsequent to issuing a Notice of Recommended for Award (NORA), the MDOT MAA discovered the recommended awardee JAK Construction Co., Inc. (“JAK”) was not in compliance with the requirements of the above referenced Solicitation. NORA requesting performance bonds for the Solicitation was issued to JAK on April 20, 2020. JAK failed to provide a proper performance bond as required by the Solicitation. MDOAT MAA evaluated rejecting JAK’s bid and moving to the next lowest bid from a responsible bidder, however the next bid price is significantly higher than the recommended awardee. In accordance with COMAR 21.06.02.02 (C) the MDOT MAA has determined that rejecting all bids is fiscally advantageous or otherwise in the State’s best interest because the amendments necessary to improve the solicitation would be of such magnitude that a new solicitation is desirable. | | | | | |
